WALKIE
TALKIES!

Goosebumps®

GB-4124 Book Crypt Clock Radio with Sound Effects - Spook all your friends with this creepy Goosebumps™ bookstand! Shrieking ghosts, evil laughter and monsters roar each time you remove or replace a book. The bandages around the hands and fingernails glow in the dark. Features include: AM/FM radio with rotary tuning, volume control, sound effects, external speaker, built-in antenna and LCD clock with time and date display.

◆◆◆◆◆ **NOTICE** ◆◆◆◆◆
 The following Goosebumps™ products shown on these pages are for **CONCEPT ONLY**. The actual product will be revised to be more in the Goosebumps™ vein and will follow the license exactly.
THE PRODUCTS ARE: Haunted Mask Power Talker, Booklight, Curly Cassette Player, and Book Crypt Clock Radio.

GB-875 Goosemarks - Slip these frightening creatures into the pages of your favorite Goosebumps™ thriller so you don't lose your place! Each bookmark contains three creepy, scary sound effects that sound off each time the book is opened.

GB-4010 Tombstone Booklight - Keep the fright alive when reading your most chilling Goosebumps™ book! Not only does this LCD alarm clock and light easily clip onto your favorite book for night-time reading, the entire unit glows in the dark. Features include: DC Jack, adjustable alarm clock, on/off switch, clip-on device and high intensity lamp.

GB-850 Curly Cassette Player - This is for all you Goosebumps™ fans who can't get enough good, clean, scary fun! Listen to your cassette tapes while Curly the Skeleton watches your every move! Curly also glows in the dark. Features include: auto-stop cassette player, external speakers and a set of headphones.

SUP-920 Superman™ and Steel™ Handheld Walkie Talkies - Get ready to be a superhero and communicate with all your friends! These walkie talkies are sculpted to resemble Superman™ and crime fighting hero Steel™. Features include: 6 powerful transistors for clear communication, flexible antenna, works up to 200 ft., power on/off, volume control and belt clip.

NEW!

SUP-950 Superman™ Logo Duplex Walkie Talkies - It's a bird, it's a plane, no it's medallion walkie talkies...in the shape of the Superman™ logo! Transmit your voice automatically to talk with your friends. Features include: super sensitive earphones that act as the walkie talkie transmitter and receiver for simultaneous, hands free communication.

PR-124 Red Ranger™ AM/FM Radio - Listen as the Red Ranger™ plays all the latest tunes on this portable AM/FM radio. Features include: AM/FM, band selector, rotary tuning, external speaker and built-in antenna.

PR-WT921 Mighty Morphin' Power Ranger™ Walkie Talkies
Communicate with your fellow Rangers™! These walkie talkies are sculpted to resemble the hot new Zeo Power Rangers™! Features include: 6 powerful transistors for clear communication, flexible antenna, works up to 200 ft., power on/off, volume control and belt clip.

NEW!

Pink Ranger

Red Ranger

Blue Ranger

White Ranger

Yellow Ranger

Black Ranger

PR-30 Medallion FM Radios -

Be a real Ranger™! Each FM radio looks

just like the Power Ranger™ Gold Coins on TV.

Each master carton comes with an assortment of all 6 Power Ranger Coins. Features include: FM rotary tuning, power/volume control, batteries and earphones included.

PR-194 Talking Power

Ranger™ Helmet - Turn the Power Ranger™ on and you'll hear the well-known song and special bomb effect...then tell the Ranger™ a message and he'll repeat it! Features include: power on/off switch, record button and batteries included.

YOUTH ELECTRONICS

THE MASK™

NEW!

MSK-920 Handheld Walkie Talkies - SSSmokin' for fun and sculpted to resemble The Mask™ from both the movie and the hot new cartoon. Features include: 6 powerful transistors for clear communication, flexible antenna, works up to 200 ft., power on/off, volume control and belt clip.

MSK-980 Power Mask Walkie Talkies - It's Party time!

These Power Mask Walkie Talkies let you send important messages to your friends hands free. Features include: durable plastic mask with adjustable strap, battery box with belt clip, and power on/off control.

BC-4124 AM/FM Clock Radio and Bookstand - Hold all of your favorite Baby-sitter's Club™ books with this practical Clock Radio/Bookstand! Features include: AM/FM radio with rotary tuning, volume control, external speaker, built-in antenna and LCD clock with time and date display. Books not included.

BC-4711 Diary - Get your baby-sitting days organized with the coolest bunch of baby-sitters around with the official Baby-sitter's Club™ Electronic Diary! Features include: directory, schedule reminder, calculator, clock, daily predictor, message zapper and kid compatibility.

Mix 'N Match Walkie Talkie™

Last year, MGA changed the face of Walkie Talkies with our unique and innovative line of sculpted Walkie Talkies. In 1996, we are proud to introduce a whole new way to purchase and play with licensed Walkie Talkies. MGA's new Mix N' Match Walkie Talkies™ let kids create their own unique pair of Walkie Talkies by choosing their favorite heroes. All Mix N' Match Walkie Talkies™ operate on the same frequency so they can be used together and so kids can make their own pair and choose from an amazing selection of licensed characters. Take your pick and let the fun begin!
